#### After watching

- 5 **Choose a writer you like and research some facts about him/her, for example birthplace, childhood, studies, most popular/famous book and an interesting fact about the person. Write a few**

**paragraphs about your chosen writer and illustrate the work with some pictures if possible. Put your work on the wall and check other people's contributions.**

- 6 **With a partner, research ones of the writers in the video that you do not know too well, using Internet resources such as Wikipedia. Prepare five questions for another pair of classmates, indicating where they can find the information, then exchange questions and answer their questions.**
