After watching

12 Imagine you spent one month last summer on the Cobb Hill farm. Write a short 100-word report of your experience. Write about:

- the farm and the methods they use
- the community you stayed in
- what you think about the place and project in general

13 Go to the Institute's homepage www.cobbhill.org and find the following information.

- Homepage section.
 - Where exactly in Vermont is it located?
.....
 - How many people live in the community?
.....
 - What ages are they?
.....

2. About History section.

- How many existing farms did they buy to set up the Cobb Hill Farm project?
.....
- When did they complete the purchase of the farms?
.....
- When did they finish construction work?
.....
- What have they done since then?
.....

Now work in pairs and use the other sections of the website to create some questions for another pair. Swap questions and search for the answers to their questions.

14 Work in groups of four. Imagine you decide to set up a similar farm locally. Decide where you could locate it, how many families it could hold, what you could grow and how you could promote sustainability inside your farm/community.
