**After watching**

- 7 Using the Internet, research one of the other big markets in London (for example Borough, Petticoat Lane). Write a short 60-word paragraph saying when it started, what products are sold there, how many stalls there are and the opening hours.**
- 8 Work in groups. Imagine you can set up a market stall in Portobello Road selling products typical of your region (you decide exactly what). Decide on how you want to organise your stall and draw a sketch to show what your stall will look like. Role play selling your products to other groups of students.**
- 9 Write a single day's diary entry for a market trader. Say what time you got up, what time you started work, who you met at the market, what you sold and how you finished the day.**
